

NOTICE OF REQUEST FOR PROPOSALS

The City of Durham is seeking a qualified engineering firm to provide professional design services for the analysis, design, cost estimate, and construction ready plans and specifications for a drainage system rerouting project.

A complete RFP package may be obtained in the Public Works Department weekdays, except holidays, from 8:30 a.m. until 4:30 p.m., (919) 560-4326.

Submittals are due by 4:00 p.m. on Monday, March 6, 2006.

Firms are strongly encouraged to attend the pre-submittal meeting at 2:00 p.m. on Tuesday, February 21, 2006 in the Department of Public Works Conference Room, Third Floor, City Hall.
